Album Pricelist for 2014

Storybook Albums are a stunning and interesting way to display your photographs.

If you have taken a disc only option, you can add additional albums to your package. Your pictures are arranged in an interesting and visually pleasing way, and the arrangement is printed directly onto the page. The digital images are arranged in a collage on some pages, with borders or drop shadows and some photos are used as interesting backgrounds. My style of designing is not to use lots of templates because I want your album to be different from the other ones I have designed. I don't like to cram in all your photos, nor do I make a whole album with one picture per page. Let's meet and I'll show you!

SET OF 2 mini albums with <i>photographic pages</i>	1 st SET
10x14 cm Storybook Album (20 pages/40 sides)	R1900
15x15cm Storybook Album (20 pages/40 sides)	R2500

Your albums will contain photographs of your family and of the main photo shoot and have photographic pages with a personalised hardback cover

1 Album with <i>photographic pages</i>	1 st Album Price	Additional Copy
20x27cm Storybook Album (20 pages/40 sides)	R5000	R3000
30x30cm Storybook Album (20 pages/40 sides)	R6000	R4000
30x40cm Storybook Album (20 pages/40 sides)	R7000	R5000

Your album contains photographs capturing the story of your day from beginning to end, and have photographic pages with a personalised hardback cover

Albums will be ready approx. 8-12 weeks from the date of design approval.

A design proof will be sent to you before going to print. You may make some changes to the first proof, but additional changes are R250 per change.
